

Janis Center Railroad Club

Martin Janis 50+ Center - *Lower level*
600 East 11th Avenue Columbus, Ohio 43211

Located at the southwest corner of the Ohio State Fairgrounds.

To visit us, please use the entrance just west of the famous OHIO gate.

Open to the public: Thursdays 5-8:30pm
Other weekdays by appointment

We invite you to visit our 3-Track, 15 scale-mile, fully landscaped HO scale layout, which features a large passenger terminal, coal mine, oil refinery, two freight yards and locomotive yard with steam and diesel service facilities, working turntable and roundhouse.

Now Welcoming New Members!

Members have access to the layout 45 weekday hours per week, and until 8:30pm Thursdays. Operate our collection of club-owned locomotives and rolling stock, from the steam-to-diesel transition era. Run your trains or ours. Clubroom resources include a work-shop area, video tape collection, and library of reference materials including many years of railroad magazines.

Members also receive our newsletter, *The Trainmaster*, 6 times a year.
